February 12, 2018

**Product Discontinuance Notification (PDN) No: 306396**

**Subject: Obsolescence of Le89010QVC, Le89900AMC, and Le89316QVC Products**

### **Description:**

Microsemi is announcing the discontinuance of the Le89010QVC, Le89900AMC, and Le89316QVC products.

### **Reason for Discontinuance:**

The decision to discontinue these products was driven by diminished demand and low forecast volumes. Additionally, Microsemi utilized a third party to source the Le89900AMC product and that third party has discontinued this product.

Please note: all remaining Le89900AMC material has a 2014 datecode.

### **Customer Impact:**

These products are being removed from the Microsemi's product offering and will no longer be available for order after August 13, 2018.

### **Replacement Parts:**

There are no replacement products. Please contact your local Microsemi Sales Office for more information on these products.

## **Last Order Dates: August 13, 2018**

Please note that all orders must be booked as non-cancelable, non-returnable (NCNR) by no later than August 13, 2018. No new orders will be accepted after this date. Although Microsemi will attempt to accommodate all requirements, it is highly recommended that orders be placed as far as possible in advance of the order deadline. The inventory is limited so orders will be taken on a first-come, first-served basis.

## **Last Shipment Date: February 12, 2019**

Microsemi will continue to ship last-time-buy orders as requested only through February 12, 2019. Product orders must be scheduled to ship no later than this date.

## **Products Affected by this Discontinuance:**

Le89010QVC  
Le89010QVCT

Le89900AMC  
Le89900AMCT

Le89316QVC
